

Sunraysia Young Women's Cancer Support Group

***Friendship, fun and support from
women sharing the Cancer journey***

*If you are a young woman with a cancer diagnosis,
then this group is for YOU!*

The support group is a wonderful opportunity to connect with other young women who are going through the challenges that a cancer diagnosis presents, both during and post-treatment. It doesn't matter what type of cancer you have, everyone is welcome!

The group meets monthly and offers social events, cancer awareness activities, fundraising, and a safe and supportive environment in which to discuss feelings, emotions and share individual experiences. We don't focus on the negatives of cancer - we prefer to see the group as a great opportunity to make new friends who understand what we are going through; and we definitely see laughter as good medicine.
